AUTHORS

Albright, C: Swimming techniques for individuals with physical disabilities, Winter, p 16

Arnhold, RW (with Auxter, D): Legislative advocacy in adapted physical education and recreation: The reauthorization of IDEA, Spring, p 37

Aufsesser, P: Research Application (Arm and leg strength of adults with mental retardation—With and without Down syndrome; Enriching creative dance to facilitate balance skills of children with mental retardation), Winter, p 8

Research Application (Information processing in neurologically normal individuals and individuals with spastic cerebral palsy; Injury incidence of quad rugby athletes in national competition), Spring, p 8

Beason, KR (with Gilbert, J): Benefits of deep water exercise for ambulatory impaired adults, Summer, p 22

Beaver, D: Editor's Corner (It's an anniversary. . . And a commitment), Fall, p 29

Editor's Corner (Commemorative coins offer recognition and opportunity), Winter, p 4

Editor's Corner (IDEA and the 104th Congress), Spring, p 4

Editor's Corner (Athletes with mental retardation and Atlanta, 1996!), Summer, p 4

Bishop, P (with Beyer, R): Attention deficit hyperactivity disorder (ADHD): Implications for Physical Educators, Summer, p 39

Bishop, P: Research Application (Independent exercise in students with mental retardation: Training to self-pace; Increasing the ball kicking skills of individuals who are profoundly mentally retarded), Fall, p 8

Clark, N: Sport Nutrition (Water: Back to the basics), Fall, p 14

Sport Nutrition (SPORTSBARS. . .The Powerfood of the 90s?), Winter, p 14

Sport Nutrition (Recipes for hungry athletes: The New York Marathon Cookbook), Spring, p 14

Sport Nutrition (Chronic Fatigue), Summer, p 14

Connor-Kuntz, F: Focus on Training (Nancy L. Olson, amputee), Fall, p 62

Focus on Training (Frank L. Epperson, Jr., spina bifida), Winter, p 62

Focus on Training (Karen Norris, amputee), Spring, p 62

Focus on Training (Adrian Vigil, visually impaired), Summer, p 59

Craft, D: APAC Action (Development of resource directory in adapted physical activity; Doctoral competencies in adapted physical education approved; APAC joins the National Consortium on Citizens with Disabilities; Where is the best home for APAC? Change in election procedures and call for nominations), Fall, p 13

APAC Action (Adapted Physical Education National Standards Project: Nominations for APAC awards. Contribute to inclusion position paper), Winter, p 13

APAC Action (Legislative advocacy needed; New AAALF Executive director; APAC supports access to leisure facilities; Adapted physical education teacher of the year), Spring, p 16

APAC Action (Inclusion position statement approved; Directory of chairs of state APAC; Update on reauthorization of IDEA; Adapted physical education national standards (APENS); Parent workshops; 1995-96 APAC officers, Summer, p 6

Daniel, C: Bits & Pieces (Position statement for adapted physical education; Midwest regional golf tournament of physically disabled; 1994 NCPERID Award recipients; Invacare and Easter Seals wheelchair sports clinics; TIRR sports festival; WIAA illegally discriminated against coach with crutches), Fall, p 56

Bits & Pieces (Janet Seaman new AAALF Executive Director; Wilderness Society takes on Florida Everglades; Chinese athletes dominate 1994 FESOIC Games; Adapted aquatics funds a new repository; Shake-A-Leg expands BAT program for summer '95; New seat design patented by PVA; Big Apple Greeter; Points of Light Foundation elects Buoniconti to board), Winter, p 57

Ferrara, M (with Dattilo, J, & Dattilo, AM): A cross-disability analysis of programming needs for athletes with disabilities, Fall, p 32

Hamilton, DW (with Krauss, JD, Price, BA, Robergs, RA, & Ruby, BC): Psychological effects of CFES bicycle ergometry for individuals with spinal cord injuries, Spring, p 46

Huber, J: Issues (First in the nation: Minnesota's Athletic Conference for those with disabilities), Fall, p 64

Issues (Hawaii helicopter tour industry: An endangered species?), Winter, p 32

Issues (The new political agenda and reauthorization of IDEA: Implications and strategies for action), Spring, p 64

Issues (Obesity and weight loss in children and adolescents: Is there a viable solution?), Summer, p 60

Karper, WB: Problems with inclusive elementary school physical education taught by classroom teachers, Spring, p 32

Lebanowich, S: A brief history of the national wheelchair basketball association—The first 25 years, 1948 to 1953, Summer, p 16

Masters, KS (with Wittig, AF, Cox, RH, Scallen, SF, & Schurr, KT): effects of training and competition on mood state and anxiety among elite athletes with cerebral palsy, Winter, p 47

Millar, AL (with Fernhall, B, & Burkett, LN): Research Application (Effects of aerobic training for individuals with Down Syndrome), Summer, p 10

Morehouse, J: New Products (Exciting portable communication aid; Scissor designed for ease of use; Future pro basketball goal; The perfect companion seat), Fall, p 60

New Products (JTB Montage; ACCESS: I.L. data; ACCESS One), Winter, p 61

Murata, MN (with Little, JR): A continuum of support to facilitate inclusion: A Hawaiian model, Spring, p 17

Nearing, RJ (with Johansen, DAK and Vevea, C): Gymnastics mats in the pool?, Winter, p 22

Passentino, E (with Cranfield, P): Inclusion at recess: A foundation for friendship, Fall, p 45

Petrofsky, JS: Diving with spinal cord injury (Part 2), Fall, p 31

Diving with spinal cord injury (Part 3), Winter, p 34

Rafter, D: U.S. Open Wheelchair Tennis Championships draw world's elite disabled athletes to California, Fall, p 20

Ridgeway, M (with Thompson, M, & Dangelmaier, B): Nutritional supplements for athletes who strength train, Spring, p 23

Shepherd, M: COSD Forum (Mark Shepherd named USOC Manager of Disabled Sports Services), Fall, p 7

COSD Forum (Issues and recommendations), Winter, p 6

COSD Forum (First meeting of the year), Spring, p 7

COSD Forum (Issues and recommendations), Summer, p 9

Smith, G (with Anders, S): Challenging the challenged, Fall, p 43

Stewart, D (with Ojalas, R): Storm and ice—The XIII World Winter Games for the Deaf, Summer, p 35

Wang, W (with Depauw, KP): Early sport socialization of elite Chinese athletes with physical and sensory disabilities,Winter, p 40

Webster, G: National Scene (AAAD, DAAA, NHS, SOI, USABA, USCPAA), Fall, p 11

National Scene (AAAD, NHS, SOI, USABA, USCPAA, Wheelchair Sports, USA [formerly NWAA]), Winter, p10

National Scene (AAAD, Disabled Sports USA [formerly NHS], SOI, USABA USCPAA, Wheelchair Sports USA), Spring, p 9

National Scene (AAAD, Disabled Sports, USA, SOI, USABA, USCPAA), Summer, p 11

Wise, JB: Duct tape in a high-tech world: C. W. HOG, Summer, p 30

Zimmer, M. (with Drombholz, G): Wheelchair dancing, Fall, p 25

SUBJECTS

Attention Deficit Hyperactivity Disorder
Attention deficit hyperactivity disorder, Summer, p 39

Adventure Activities
Duct tape in a high-tech world: C.W. HOG, Summer, p 30

Amputees/Amputations
NHS (now Disabled Sports USA) (National Scene, Fall, p 11; Winter, p 10; Spring, p 10)
Focus on Training (Nancy L. Olson, wheelchair tennis), Fall, p 62
Focus on Training (Karen Norris, skiing, amputee), Spring, p 62

APAC Action
Fall, p 13 (Development of resource directory in adapted physical activity; Doctoral competencies in adapted physical education approved; APAC joins the National Consortium on Citizens with Disabilities; Where is the best home for APAC? Change in election procedures and call for nominations for APAC executive board)
Winter, p 13 (Adapted Physical Education National Standards Project; Nominations for APAC awards; Contribute to inclusion position paper)
Spring, p 16 (Legislative advocacy needed; New AAALF Executive Director; Inclusion position statement; APAC supports access to leisure facilities; Adapted physical education teacher of the year award)
Summer, p 6 (Inclusion position statement approved; Directory of chairs of state APAC; Update on reauthorization of IDEA; APENS; Parent workshops; '95-'96 APAC officers)

Aquatics (see also SCUBA Diving and Swimming)
Benefits of deep water exercise for ambulatory impaired adults, Summer, p 22

Athletes
A cross-disability analysis of programming needs for athletes with disabilities, Fall, p 32
Nancy L. Olson (Focus on Training), Fall, p 62
Frank L. Epperson, Jr. (Focus on Training), Winter, p 62
Karen Norris (Focus on Training) Spring, p 62
Adrian Vigil (Focus on Training), Summer, p 59

Athletic Conference
First in the nation: Minnesota's athletic conference for those with disabilities (Issues), Fall, p 64

Balance
Enriching creative dance to facilitate balance skills of children with mental retardation (Research Application), Winter, p 9

Bicycle Ergometry
Psychological effects of CFES bicycle ergometry for individuals with spinal cord injuries, Spring, p 46

Billiards
Challenging the challenged, Fall, p 43

Bits & Pieces
Fall, p 56 (Position statement for adapted physical education; Midwest regional golf tournament for physically disabled; 1994 NCPERID award recipients; Invacare and Easter Seals wheelchair sports clinics; TIRR sports festival; WIAA illegally discriminated against coach with crutches)
Winter, p 57 (Janet Seaman new AAALF Executive Director; Wilderness Society takes on Florida Everglades; Chinese athletes dominate 1994 FESPIC Games; Adapted aquatics finds a new repository; Shake-A-Leg expands BAT program for summer '95; New seat design patented by PVA; Big Apple Greeter: New York City welcomes travelers with disabilities; Points of Light Foundation elects Buoniconti to board)
Spring, p 56 (Jean Driscoll wins 6th straight Boston Marathon; 1995 Special Olympics commemorative coin; Very Special Arts partners with the Miss America organization; Adapted aquatics credential available from AAHPERD; Trinidad and Tobago wheelchair sport development project; Shepherd Spinal Center Changes Name, Julian Stein receives Luther Halsey Gulick Award)
Summer, p 56(Paralyzed RAF pilot looks to bright future; ACOG emphasizes disability access; Ticket prices announced for 1996 Paralympic Games; Mead named to President's Physical Fitness Council; Joanne F. Finegan elected chair of National Council for Therapeutic Recreation certification; Memories to last a lifetime; USOC & APOC reach agreement

Blind (see Visually Impaired)

Cerebral Palsy
USCPAA (National Scene, Fall, p 12; Winter, p 11; Spring, p 12; Summer, p 12) A cross-disability analysis of programming needs for athletes with disabilities, Fall, p 32
Effect of training and competition on mood state and anxiety among elite athletes with cerebral palsy, Winter, p 47
Information processing in neurologically normal individuals and individuals with spastic cerebral palsy (Research Application), Spring, p 8
Benefits of deep water exercise for ambulatory impaired adults, Summer, p 22

China
Early sport socialization of elite Chinese athletes with physical and sensory disabilities, Winter, p 40

Classroom Teachers
Problems with inclusive elementary school physical education taught by regular classroom teachers, Spring, p 32

Competition
Effects of training and competition on mood state and anxiety among elite athletes with cerebral palsy, Winter, p 47
Injury incidence of quad rugby athletes in national competition (Research Application), Spring, p 8

Controlled Functional Electrical Stimulation (see Functional Electrical Stimulation)

COSD Forum
Mark Shepherd named USOC Manager of Disabled Sports Services, Fall, p 7
Issues and recommendations, Winter, p 7
First meeting of the year, Spring, p 7
Issues and recommendations, Summer, p 9

Cycling
Adrian Vigil, visually impaired, Summer, p 59

Dance
Enriching creative dance to facilitate balance skills of children with mental retardation (Research Application), Winter, p 9

Deaf (see also Hearing Impairment)
AAAD (National Scene, Fall, p 10; Winter, p 10; Spring, p 9; Summer, p 11)
Storm and ice—The XIII World Winter Games for the Deaf, Summer, p 35

Disabled Sports USA (formerly NHS)
National Scene (Spring, p 10; Summer, p 11)

Down Syndrome (see Mentally Retarded/ Mental Retardation)

Dwarfs
DAAA (National Scene, Fall p 10)

Editor's Corner
It's an anniversary. . . And a commitment, Fall, p 29
Commemorative coins offer recognition and opportunity, Winter, p 4
IDEA and the 104th Congress! Spring, p 4
Athletes with mental retardation and Atlanta, 1996! Summer, p 4

Equipment
Gymnastics mats in the pool?, Winter, p 22

Exercise
Independent exercise in students with mental retardation: Training to self-pace (Research Application), Fall, p 8
Benefits of deep water exercise for ambulatory

impaired adults, Summer, p 22

Focus on Training
Fall, p 62 (Nancy L. Olson, Wheelchair tennis, amputee)
Winter, p 62 (Frank L. Epperson, Jr., wheelchair track, spina bifida)
Spring, p 62 (Karen Norris, skiing, amputee)
Summer, p 59 (Adrian Vigil, visually impaired)

Functional Electrical Stimulation
Psychological effects of CFES bicycle ergometry for individuals with spinal cord injuries, Spring, p 46

Hearing Impairment (see also Deaf)
Early sport socialization of elite Chinese athletes with physical and sensory disabilities, Winter, p 40

Inclusion (see also Mainstreaming)
Arguing for the sake of arguing (Letter to the Editor), Fall, p 4
Full inclusion should be part of the continuum (Letter to the Editor), Fall, p 15
The profession continues to speak out on total inclusion, Fall, p 16
Inclusion at recess: A foundation for friendship, Fall, p 45
A continuum of support to facilitate inclusion: A Hawaiian model, Spring, p 17
Problems with inclusive elementary school physical education taught by classroom teachers, Spring, p 32

Information Processing
Information processing in neurogenically normal individuals and individuals with spastic cerebral palsy (Research Application), Spring, p 8

Injuries
Injury incidence of quad rugby athletes in national competition (Research Application), Spring, p 8

Integration (see Inclusion, Mainstreaming)

Issues
First in the nation: Minnesota's athletic conference for those with disabilities (Issues), Fall, p 64
Issues and recommendations (COSD Forum), Winter, p 7
Hawaii's helicopter tour industry: An endangered species? (Issues), Winter, p 32
The new political agenda and reauthorization of IDEA: Implications and strategies for action (Issues), Spring, p 64
Obesity and weight loss in children and adolescents: Is there a viable solution? (Issues), Summer, p 60

Kicking
Increasing ball kicking skills of individuals who are profoundly mentally retarded (Research Application), Fall, p 9

Legislation
IDEA and the 104th Congress! (Editor's Corner), Spring, p 4
Legislative advocacy in adapted physical education and recreation: The reauthorization of IDEA, Spring, p 37
The new political agenda and reauthorization of IDEA: Implications and strategies for action (Issues), Spring, p 64

Letters to the Editor
USPE Executive Director responds, Fall, p 4
Arguing for the sake of arguing, Fall, p 4
Full inclusion should be part of the continuum, Fall, p 15
A clarification, Summer, p 13

Mainstreaming (see Inclusion)

Mentally Retarded/Mental Retardation (see also Special Olympics)
Independent exercise in students with mental retardation: Training to self-pace (Research Application), Fall, p 8
Increasing the ball kicking skills of individuals who are profoundly mentally retarded (Research Application), Fall, p 9
Arm and leg strengths of adults with mental retardation—With and without Down syndrome (Research Application), Winter, p 8
Enriching creative dance to facilitate balance skills of children with mental retardation (Research Application), Winter, p 9
Athletes with mental retardation and Atlanta, 1996! (Editor's Corner), Summer, p 4
Effects of aerobic training for individuals with Down Syndrome (Research Application), Summer, p 10

National Scene
Fall, p 10 (AAAD, DAAA, NHS, SOI, USABA, USCPAA)
Winter, p 10 (AAAD, NHS, SOI, USABA USCPAA, Wheelchair Sports, USA [formerly NWAA])
Spring, p 9 (AAAD, Disabled Sports USA [formerly NHS], SOI, USABA, USCPAA, Wheelchair Sports, USA)
Summer, p 11 (AAAD, Disabled Sports, USA, SOI, USABA, USCPAA)

New Products
Fall, p 60 (Exciting portable communication aid; Scissor designed for ease of use; Future pro basketball goal; The perfect companion seat)
Winter, p 61 (JTB Montage; ACCESS: IL, data; ACCESS one)
Summer, p 54 (Multi-purpose charger for gelled cell batteries; Flexaciser; Clear chest support; Vibrating alarm clock)

NHS (see Disabled Sports USA)

Nutrition (see also Sport Nutrition)
Nutritional supplements for athletes who strength train, Spring, p 23

NWAA (see Wheelchair Sports USA)

Obesity
Obesity and weight loss in children and adolescents: Is there a viable solution? (Issues), Summer, p 60

Paralympics
Commemorative coins offer recognition and opportunity (Editor's Corner), Winter, p. 4
Athletes with mental retardation and Atlanta, 1996! (Editor's Corner), Summer, p 4

Paraplegia
Early sports socialization of elite Chinese athletes with physical and sensory disabilities, Winter, p 40
Benefits of deep water exercise for ambulatory impaired adults, Summer, p 22
A brief history of the National Wheelchair Basketball Association—The first 25 years, 1948 to 1953, Summer, p 16

Partially Sighted (see Visually Impaired)

Physical Education
Problems with inclusive elementary school physical education taught by regular classroom teachers, Spring, p 32
Attention deficit hyperactivity disorder (ADHD): Implications for physical educators, Summer, p 39
Obesity and weight loss in children and adolescents: Is there a viable solution? (Issues), Summer, p 60

Psychological Parameters
Effects of training and competition on mood state and anxiety among elite athletes with cerebral palsy, Winter, p 47
Psychological effects of CFES bicycle ergometry for individuals with spinal cord injuries, Spring, p 46

Publication Reviews
Fall, p 52 (Friendships and community connections between people with and without developmental disabilities; Managing sports and risk management; Disability etiquette: Interacting with people with disabilities; Enhancing the aerobic fitness of individuals with moderate and severe disabilities: a peer-mediated aerobic conditioning program; Walking for fun and fitness; Legal aspects of preventative, rehabilitative and recreational exercise programs (Third Edition); Making school and community recreation fun for everyone; adapted aquatics: Promoting aquatic opportunities for all; Swiss ball exercise for chronic pain patients)
Winter, p 53 (Mental retardation [4th Edition]; ACCESS Travel USA: A directory for people

with disabilities; Educating Peter [V]; Ready-to-Use P.E. Activities for Grades K-2; Purposeful play [V]; The theory and practice of challenge education; VISTA '93; A Victory for humanity; Physical education curriculum activities kit for grades K-6)
Spring, p 54 (Running toward the light; Fitness and rehabilitation programs for special populations; When Billy broke his head. . . and other tales of wonder [V]; Conditioning with physical disabilities; Turtle Books [Buddy's shadow and fair and square])
Summer, p 51(Say that again, please—Insights in dealing with a hearing loss; Glacier Park-Northwest Montana accessibility guide; Gentle fitness [a video exercise program]; Sports and recreation for the disabled [2nd edition]; Physical best and individuals with disabilities: A handbook for inclusion in fitness programs; The geri-active video magazine [Vol. 1] A seated activities program)

Quad Rugby
Injury incidence in quad rugby athletes in national competition (Research Application), Spring, p 8

Quadriplegia
Swimming techniques for individuals with physical disabilities, Winter, p 16
Early sport socialization of elite Chinese athletes with physical and sensory disabilities, Winter, p 40
Injury incidence of quad rugby athletes in national competition (Research Application), Spring, p 8
A brief history of the National Wheelchair Basketball Association—The first 25 years, 1948 to 1953, Summer, p 16

Recess
Inclusion at recess: A foundation for friendship, Fall, p 45

Research
Independent exercise in students with mental retardation: Training to self-pace (Research Application), Fall, p 8
Increasing the ball kicking skills of individuals who are profoundly mentally retarded (Research Application), Fall, p 9
A cross-disability analysis of programming for athletes with disabilities, Fall, p 32
Arm and leg strength of adults with mental retardation—With and without Down syndrome (Research Application), Winter, p 8
Enriching creative dance to facilitate balance of children with mental retardation (Research Application), Winter, p 9
Early sport socialization of elite Chinese athletes with physical and sensory disabilities, Winter, p 40
Effects of training and competition and mood state and anxiety among elite athletes with cerebral palsy, Winter, p 47
Information processing in neurologically normal individuals and individuals with spastic cerebral palsy (Research Application), Spring, p 8
Injury incidence of quad rugby athletes in national competition (Research Application), Spring, p 8
Psychological effects of CFES bicycle ergometry for individuals with spinal cord injuries, Spring, p 46
Effects of aerobic training for individuals with Down syndrome (Research Application), Summer, p 10

Rugby (see also Quad Rugby)

SCUBA Diving (see also Swimming)
Diving with spinal cord injury (Part 2), Fall, p 30
Diving with spinal cord injury (Part 3), Winter, p 34

Self-Pace
Independent exercise in students with mental retardation: Training to self-pace (Research Application), Fall, p 8

Skiing
Focus on Training (Karen Norris, amputee), Spring, p 62

Socialization
Early sport socialization of elite Chinese athletes with physical and sensory disabilities, Winter, p 40

Special Olympic (see also Mentally Retarded/ Mental Retardation)
